CAMPER BELONGINGS & COVID POLICIES

DRESS CODE

Girls should come dressed and ready for an active day. We suggest comfortable clothes that allow movement and are weather appropriate. It is very important that girls wear shoes that will safely allow them to run, jump, kick balls, etc. We strongly suggest running or athletic shoes and socks to prevent blistering. Please no sandals, flip-flops, boots, or open toed shoes etc.

COVID POLICIES

MASKS OPTIONAL

In order to comply with state COVID-19 health guidelines, all participants have the option to have a mask with them and be accessible at camp. While they are not required to wear them at all times, all campers will have the option to wear one. All coaches will have the choice to wear them as well.

All campers are asked to stay home if they have any COVID related symptoms, if anyone near them tests positive for COVID, or if they test positive for COVID. We will be following the CDC recommendation and ask the camper to stay home for 5 days from the day they test positive. Parents are required to let Game On! know if this situation arises. At any time these rules can change; we will communicate with the parents if any changes are made.

FOOD POLICIES & PERSONAL HYGIENE/SUN PROTECTION

FOOD POLICIES & INFORMATION

Due to the various dietary needs of each family and camper, it is in the best interest to have campers bring their own lunches and snacks.

Game On! Sports 4 Girls maintains a strict NUT-FREE environment. No nuts of any kind, please, including peanut butter. If you need ideas on nut-free lunches, snacks, or treats, please contact us for suggestions. If a camper snack or lunch has nuts we will have to replace it with a nut-free option.

We also request that campers DO NOT SHARE their food under any circumstances due to possible cross-contamination or allergic reactions. Please discuss this with your camper.

Sorry but snacks and lunches will not be refrigerated.

PERSONAL HYGIENE

Campers and staff will be following strict hygiene rules and procedures at all times as demanded by Game On! Sports 4 Girls and recommended by the CDC and other experts.

SUN/HEAT PROTECTION

Heat and sun safety are very important to us. Camp staff will continuously monitor campers to make sure they are hydrated and protected. All activities will be held outdoors with limited sun coverage. Water and food breaks will be taken under a pavilion and/or a pop-up tent and taken frequently.

Sunscreen: Please make sure your camper has **sunscreen applied before arriving at camp** each morning, and send sunblock in their bag for reapplication throughout the day. If your camper is unable to apply their own sunblock, a member of the Game On! Sports 4 Girls staff will assist them.

Water: We pay special attention to keeping our campers hydrated, and encourage them to drink water throughout the day. Please make sure your camper comes each day with a labeled water bottle filled with cold water. Water refill stations will be conveniently located around camp.

Hats: While hats are not required, they are recommended for additional sun protection.

ATTENDANCE POLICIES & PROCEDURES

ARRIVAL/DROP OFF/SIGN IN

Please follow all Game On! Sports 4 Girls signage to the appropriate drop-off and pick-up points. The designated drop-off and pick-up points are also mapped out on page 3.

DISMISSAL/PICK UP/SIGN OUT

All campers must be signed out by an AUTHORIZED pickup. Photo I.D.'s will be checked before releasing a camper. Regular camp hours are 9:00 a.m. to 3:00 p.m. Participants need to be picked up by 3:15 pm. In the interest of full safety for your camper, we will not release your child to someone who is not on your authorized pickup list. If you need to add someone to your list, contact northernutah@gameonsports4girls.com.

IDENTIFYING WHERE CHILDREN ARE AT ALL TIMES

Camp staff will directly supervise all campers during camp hours. They will identify the campers in their groups and take attendance at each rotation. Please stress to your camper the importance of remaining with camp staff at all times.

MISSING CHILD

In the unlikely event that a camper cannot be accounted for after repeated calls, we will reach out to all staff to begin a search. We will then employ a human-chain type of search through all camp areas and a sight search from camp vehicles. We will also contact campus or host site security if available or even the local police department for professional help. Final authority for all decisions will rest with owners and directors, including when to contact the police.

ABSENCES & CHANGES IN SCHEDULE

We ask that parents notify camp staff as soon as possible if their camper will be absent or if there is a change to your schedule. Please see page 3 for camp contact information.

CUSTODY, SECURITY & CONFIDENTIALITY

If there is a restraining order or custody restrictions concerning your camper(s), we must have a current copy on file in our camp office. Please discuss any special circumstances with the Camp Director. Our policy is not to release information about your child to anyone who is not on your emergency authorization list. We will contact you if anyone who we are not familiar with or who is not listed in your account tries to gain information about and/or pick up your camper.

INCENTIVE PROGRAMS

INCENTIVE PROGRAMS

While campers are motivated to EARN the awards described below, note that out of all the rewards we offer, our biggest emphasis is on the reward of personal progress/ advancement and the pride that goes with. We make a BIG DEAL out of the slightest bit of progress, helping campers to learn and feel deep down that heart-thumping sense of pride. We hope in the end that this feeling of accomplishment outweighs any award they earn.

Challenge Course Fridays

- Fun challenges to measure camper's own personal growth sport by sport
- We need your help emphasizing the following:
 - 1) Campers should stand proud of their own progress and refrain from comparing their level of accomplishment to friends or teammates
 - 2) Campers should respect each other's different levels of experience & skill
 - 3) Campers should congratulate others for their personal successes

Character Ribbons

- Awards for behavior and attitude that goes above & beyond
 - Sportsmanship, Leadership, Effort, and GirlStrong

Campers of the Week or C.O.W.

- Award for all-around attitude/behavior that goes above and beyond & serves as a model for all to follow
 - This is awarded to only 2-3 campers

BEHAVIOR/DISCIPLINE POLICIES & PROCEDURES

BEHAVIOR/DISCIPLINE POLICIES & PROCEDURES

To make camp a positive experience for everyone, we ask that all campers strive to keep themselves and others safe, act respectfully to staff, and to treat Game On! Sports 4 Girls equipment and our host facility with the utmost care and respect.

Inappropriate or disruptive behavior includes, but is not limited to: damaging/stealing property; throwing objects; leaving any area without permission; disrespectful, abusive, harassing behavior and inappropriate language; racism, hitting, bullying, roughing, or physical abuse.

If a camper interferes with the quality of care or is putting the safety of other campers or staff at risk, the Camp Director will create an incident report and contact the camper's parent/guardian immediately. When behavior presents a safety concern, Game On! Sports 4 Girls reserves the right to skip steps in the disciplinary process as described below. Every effort will be made to help put an end to the problematic behavior, but it is the camper who is ultimately responsible for her conduct. Staff will document all behavior incidents.

Each camper will be given two verbal warnings about their behavior, except when her actions pose a safety concern. Game On! Sports 4 Girls does not use emotional, verbal or physical abuse as forms of punishment, nor do we permit withholding food or the use of corporal punishment at camp.

Camp staff will discuss behavior issues with the camper in question, and will use redirection, positive reinforcement, and time away as forms of guidance to correct behavior.

If the behavior continues following two verbal warnings, an incident report will be completed on the third occurrence with notes on the first two as well. This third incident will more than likely warrant a call to the camper's parent/guardian. If the behavior continues after this discussion, the parent/guardian will be contacted and asked to pick up the camper.

If the undesired behavior continues to be a problem, a conference will be held with the Camp Director. Game On! Sports 4 Girls reserves the right to dismiss any campers whose behavior poses an ongoing disruption or safety concern. There will be NO REFUND and fees will be forfeited in the case of a dismissal due to poor behavior.

MEDICAL POLICIES & PROCEDURES

ACCIDENTS & INJURIES

To help prevent accidents and injuries, safety rules will be reviewed with all campers and staff regularly. All full-time Game On! Sports 4 Girls staff are certified in adult and pediatric First Aid and CPR.

In the case of a severe injury that requires medical attention, camp staff will call emergency responders first, followed by the parent or legal guardian. In the event of a hospital transport, whenever possible, a Camp Director or full-time team member will meet the parents and child at the hospital.

ILLNESS

If a camper arrives at camp ill or becomes ill while at camp, staff will isolate them from others and call the parent/guardian to have their child picked up. Staff will provide water and a place to rest until an authorized person arrives for pick up.

STORING AND ADMINISTERING MEDICATION

Medication refers to skin creams, lip balms, over the counter drugs, prescription drugs, homeopathic and alternative medicine, vitamins, and some health drinks, vitamin water and foods. Please check with your director before bringing medication to camp. Parents are welcome to come to camp and talk to our Camp Director about their daughter's medications.

- All medication must be in a labeled plastic bag with your camper's photo and detailed instructions including dosage, frequency, and any other details we should know.
- Medication must be in its original container.
- Medication must be given directly to the Camp Director.
- We cannot keep more than one week's supply of medication.
- We can only accept non-perishable medications.
- If your camper takes prescription medication which is mood/behavior altering, she **MUST** be administered her medication before entering the camp premises. Unless medication has been administered, she will not be permitted onto campgrounds.

Note that refrigeration is not available to store medications. Prescription medication will be stored in a locked bag and remain in the custody of our Camp Director. These medications will not travel with your camper throughout the camp day - medication should never be on a camper's person or in their belongings. (Medications that seem harmless may cause allergic reactions or injury to other campers.) The only possible exception to this rule may be Epi-pens and inhalers, but only after discussion and agreement between a parent/guardian, the Camp Director and the camper's coach. Note also that if your daughter takes medication that cannot be given by mouth or applied to the skin, we may be unable to administer.

EMERGENCY PROCEDURES

FACILITY EMERGENCIES

- Evacuation routes are posted at each site and are the responsibility of the host site.
- Internal/External Threats: Lockdown procedures will be implemented for internal threats. Lockout procedures will be implemented for external threats.

TORNADO, HAIL & WEATHER-RELATED EMERGENCIES

- If severe weather threatens, campers are to stay in one place.
- Staff will remain updated to the extent possible.
- Staff and campers will move to a designated safe place.
- Face to name attendance will be taken.
- Local security or law enforcement will be called to check out building damage.
- In case of a natural disaster, the campers will follow the host site's disaster plan.

ACTIVE SHOOTER

- The District's facilities often house large groups of people, making them attractive to a shooter seeking to inflict large scale harm. Victims are selected at random and the event is unpredictable and evolves quickly. Those in the vicinity must make rapid decisions based on the situation at hand.
- Procedure:
 - If possible, AVOID the shooter – get yourself and those around you away as quickly as possible.
 - Staff will have an escape route and plan in mind.
 - Deny – if you can't flee, obstruct or deny the shooter from accessing your area; relocate if needed.
 - Defend – if all else fails
 - Call 911 as soon as it is safe to do so; provide as much information on the shooter(s) as you can
 - When law enforcement arrives: remain calm, follow instructions, keep hands raised and spread wide

OTHER PROCEDURES

MEDIA POLICY

Occasionally, campers may view short videos or clips that align with a sport, theme or topic we are discussing that week. If you have concerns or questions about these videos/clips, please contact the Camp Director or Assistant Camp Director.

Game On! Sports 4 Girls staff may take photos or video of campers for educational, promotional or special project purposes, unless you notify us otherwise during the registration process. If you have concerns, please discuss this with the Camp Director and provide any new exceptions in writing.

CONCERNS & COMPLAINT PROCEDURE

It is very important to us that we maintain an open line of communication with our camp families. If you have a question or concern about Game On! Sports 4 Girls or any of its programming, please feel free to address with the Camp Director. It is expected that all parties involved will remain professional and respectful when discussing difficult issues that may arise so as to resolve them as effectively as possible.

If the Camp Director and parent or guardian are unable to address an issue to everyone's satisfaction, either party may ask for a supervisor or member of the management team to become involved.

REPORTING CHILD ABUSE & NEGLECT

State law requires anyone who works with children to report possible signs of child abuse or neglect. Some examples are (including but not limited to) suspected verbal abuse, physical abuse, sexual abuse, lack of basic care in the areas of personal hygiene or nutrition, or leaving a child alone or in the care of another child under the age of twelve. After a report is made, it is up to the proper authorities to investigate. A report should be seen as cause for concern, not accusation. Game On! Sports 4 Girls, including all representatives and agents, are not permitted to discuss the situation with parents before making a report.
